WATERWAY GROUP

Cleanup Construction Activities

Construction is ongoing from 7 a.m. to 7 p.m., Monday through Friday and 9 a.m. to 7 p.m. on Saturdays. Dredging will occur beginning at 5 a.m. on Monday, December 30 and Tuesday, December 31, near Sediment Management Areas (SMAs) 2 and 3. Movement of barges may occur outside of these work hours. For questions or concerns, you can reach our team at info@ldwg.org or 1-888-561-LDWG (1-888-561-5394).

Please note that in-water construction activities are dynamic and weather-dependent. All schedules are subject to change.

Weekly Environmental and Community Report for the week of December 16

You may view the weekly report and other previous weekly reports by clicking the link below.

What to expect during the week of December 30

During the week of December 30, cleanup activities will continue in SMAs 2, 3, 4, 6, 7, and 9, including sheet pile installation. Installing sheet piles may cause higher noise levels during the daytime. See the map of cleanup areas linked below.

Work will begin at 5 a.m. at SMAs 2 and 3, as noted above, on December 30 and 31. Construction will not occur on Wednesday, January 1 due to the holiday.

What to expect during the week of January 6

During the week of January 6, cleanup activities will continue in SMAs 2, 3, 4, 6, 7 and 9.
