Cleanup Construction Activities

Season 2 construction in the upper reach, the southernmost two miles of the Lower Duwamish Waterway Superfund site, will continue through February 2026. Season 2 construction will occur on weekdays and Saturdays, with **work taking place during both daytime and, when needed, nighttime hours**. Work hours will vary based on factors such as tides and the type of work being conducted (e.g., dredging or placing clean material). Work will be coordinated with Tribal fishing.

Please note that in-water construction activities are dynamic and weather-dependent. All schedules are subject to change. Visit LDWG.org for the most up-to-date information.

If you have questions or concerns, you can reach our team at info@ldwg.org or 1-888-561-LDWG (1-888-561-5394).
