Cleanup Construction Activities

Season 2 construction in the upper reach, the southernmost two miles of the Lower Duwamish Waterway Superfund site, will continue through February 2026. Season 2 construction will occur on weekdays and Saturdays, with **work taking place during both daytime and, when needed, nighttime hours**. Work hours vary based on factors such as tides and the type of work being conducted (e.g., dredging or placing clean material). Work will be coordinated with Tribal fishing.

Please note that in-water construction activities are dynamic and weather-dependent. All schedules are subject to change. Visit LDWG.org for the most up-to-date information.

If you have questions or concerns, you can reach our team at info@ldwg.org or 1-888-561-LDWG (1-888-561-5394).

Environmental and Community Report for the Week of December 1

View last week's Environmental & Community
Report

With oversight from the EPA, we are working to minimize the impact of construction on those who work, live, and spend time along the Duwamish Waterway. Stay informed about environmental monitoring and construction activities by viewing our weekly report linked above.

What to Expect During the Week of December 15

Dredging activities will occur in sediment management areas (SMAs) 7, 9, 11A, and 16. Cleanup activities that involve placing clean material in completed dredged areas will occur in SMA 15A and may occur in SMA 7, pending post-dredge survey

confirmation. All work will take place during the daytime, between 6:30 a.m. and 6 p.m.

Join us at the South Park Library, December 17!

During the week of Posadas, local music students will present a holiday concert at the South Park branch of the Seattle Public Library. There will also be a book giveaway and champurrado, a traditional Mexican drink. Stop by to enjoy the festivities and visit our table to learn more about the ongoing river cleanup from our project outreach team.

Wednesday, December 17 from 4 – 6 p.m.
South Park Branch of the Seattle Public Library
8604 8th Ave. S., Seattle, WA 98108

What to Expect During the Week of December 22

Cleanup activities will take place at SMAs 15A and 16 and will occur during the daytime, between 6:30 a.m. and 6 p.m. The construction contractor will not perform cleanup work on **December 24 and 25**, in observance of the holiday.

Placing liner in rail car prior to filling rail car with contaminated sediment at the Duwamish Reload Facility for transport to the landfill (Geosyntec, December 10, 2025).
